

JOB SHADOWING

Virtual Groundhog Job Shadow Day Tuesday, February 2, 2021

Job Shadowing is a nationwide effort where hundreds of thousands of workplaces welcome millions of student shadows through their doors.

Job Shadowing is an academically motivating educational activity dedicated to giving kids an up-close look at the world of work. Online this year, companies can host students for 2 hours or longer activities.

EVERYONE BENEFITS

For students...job shadowing:

- Provides an answer to the question, "Why do I have to learn this?"
- Demonstrates the importance of academies in reaching college and career goals.
- Motivates students to learn by demonstrating a tangible application of classroom lessons.

For employers...job shadowing:

- Helps prepare the future workforce.
- Offers a chance to share knowledge and skills.
- Demonstrates a tangible commitment to supporting and improving the community.
